

PREMIER MARTIAL ARTS PRESENTS 5K FUN RUN / 1K KIDS RUN

Since 1976, Al Garza's Premier Martial Arts has been providing Martial Arts training to families in a Christian Environment. We currently service over 200 families in League City and Dickinson and their

surrounding communities. Each year, a group of students from our program goes through a strenuous training and testing process to achieve the coveted rank of Black Belt. This year in particular, we have over 70 Black

Belt Candidates who will be accepting this awesome challenge. Over the summer, they will undergo upwards of 125 hours of training and 4 days of testing, all of which will culminate in a 3 hour performance and graduation ceremony. Year after year, we continue to see lives changed by this incredible stretching and strengthening experience and we are certain this year will be no different. The purpose of "Run for the Goal" is to offset some of the costs of this extensive testing, performance, and graduation process. Please consider taking part in helping these students reach their goal by choosing from one of the sponsorship options below!
